

DRIES VAN WING
Regional Manager
Canfor Pulp & Paper Europe

Dries van Wing obtained his degree as Engineer for Graphical Industry from HIGRO (High Institute for Graphical Arts) in Ghent in 1969. In 1973, he graduated in Economics from Brussels University.

He began his career as Market Intelligence Officer to the Managing Director with paper merchant Papeteries de Belgique from 1973 to 1977.

Afterwards, he held various sales & marketing positions in Belgium, France, Germany and the Netherlands within Unilever 4P Division (Paper, Packaging, Plastics and Printing).

In 1987, he joined Canfor Pulp & Paper Europe in Brussels where he currently holds the position of Regional Manager.
