

LEWIS FIX

**Director of Business Development
Domtar EarthChoice®**

Lewis currently serves as Director of Business Development for Domtar. Domtar is North America's largest producer of uncoated printing, publishing, consumer and specialty papers. Domtar is also a supplier of market pulp and softwood lumber.

In this role, he directs the sales, promotion, and product development of Domtar's line of environmentally and socially responsible papers: Domtar EarthChoice®. Lewis also manages Domtar's relationships with their Environmental NGO partners, setting goals for continual improvement at Domtar.

Lewis has spoken throughout North America on subjects like Forest Stewardship Council (FSC) certification, corporate and NGO relationships, and sustainability in the paper and forest products industry. He is also Domtar's representative on FSC's Economic North Chamber, and works closely with Domtar's forestry and fiber procurement groups.

With 12 years in the paper industry - the last five being with Domtar - Lewis recently served as Director of Pricing and previously as a Territory Sales Manager. He graduated from the University of Florida and currently lives in Chicago with his wife and two children.
